These Food Truck nights are a great way to bring our community together and support local business. It is a great tradition we hope to continue - and leaving the parks clean at the end of each event is vital to this. So please pick up after yourself and remind your children to do the same. Also, please recycle, bins will be provided and hauled off by volunteers.

Also, please consider volunteering to help with clean-up at the end of the night: <http://www.signupgenius.com/go/20f0a4da4a723aa8-indian2>

**Please note:** Food Truck substitutions / changes can occur with little to no notice and are out of the HOA social committee's control.

The social committee will try to post most current and accurate information on the trucks closer to each event on NextDoor.
